

Romanian Deva Criminal Investigation Audio Recordings  
(RODeCAR) Database - End User License Agreement  
(<https://speed.pub.ro/downloads/speech-datasets>)

The person in request may download and use this corpus only after signing and returning this agreement form.

By signing this document, the user agrees to respect the European Union's General Data Protection Regulation 2016/679 with the following additional terms:

1. Commercial and academic use

The corpus is made available for research purposes only. Any commercial use of this data is forbidden.

2. Redistribution

The user may NOT distribute the corpus or parts of it to any third party. All end-users need to sign individual agreements to access the RODeCAR database.

3. Publications

The use of limited data (up to 5 audio samples) for illustrative purposes in publications is allowed. Publications include both scientific papers and presentations for scientific/educational purposes. In this case, the end user will ensure that no additional information of the speaker is released.

4. Citation

All publications reporting on research using this corpus have to acknowledge this by citing at least one of the following articles:

- S. Mihalache, Gh. Pop, and D. Burileanu, "Introducing the RODeCAR Database for Deceptive Speech Detection," in the Proceedings of the 10th International Conference on Speech Technology and Human-Computer Dialogue (SpeD), Timisoara, Romania, pp. 1-6, 10-12 Oct. 2019, ISBN: 978-1-7281-0983-1, DOI:10.1109/SPED.2019.8906542
- S. Mihalache and D. Burileanu, "Using Voice Activity Detection and Deep Neural Networks with Hybrid Speech Feature Extraction for Deceptive Speech Detection," in Sensors, vol. 22, iss. 3, 1228, 6 Feb. 2022, ISSN: 1424-8220, DOI:10.3390/s22031228

5. License changes

The Speech and Dialogue Research Laboratory of the University Politehnica of Bucharest is allowed to change these terms of use at any time. In this case, users will be informed of the changes and will have to sign a new agreement form to keep using the corpus.

6. Warranty

The corpus comes without any warranty. In no event shall the provider be held responsible for any loss or damage caused by the use of this data.
